Each project moving forward will complete a review of trial court operations, as required by the state Department of Finance.

**Indefinitely Delayed** – Projects are indefinitely delayed until funds become available sometime in the future. No work to proceed on site acquisition or design, unless specified above.

Two SB 1407 projects, for Alpine and Sierra Counties, were canceled by the Judicial Council in December 2011. In October 2012, the council referred one project, a renovation of the Lancaster (McCourtney Juvenile) Courthouse in Los Angeles, to the Trial Court Facility Modifications Working Group for consideration of funding as a facility modification.
